What is Kids Academy?

THE KIDS ACADEMY is an inter-generational enrichment program for elementary school age children (grades K-5). It is a spirit-filled program providing afternoons with music, games, snacks, arts and the Gospel!

The Academy meets seasonally on Wednesday afternoons from 3:30–5:30 p.m. and utilizes the gifts of teens and adults of all ages to help our students expand their horizons.

GATHERING

We gather in Turner, sign in, make name tags and make sure we have current contact information for each child.

There is a basket to collect the suggested donation of \$5 for each afternoon or \$20 for the 4 week session.

What Will We Do?

GOSPEL, MUSIC, AND PRAYERS

We then go the church to share prayers and music with one of our priests, where the theme for the day is introduced.

SNACKS

Returning to Turner Hall, simple snacks and drinks are provided for our hungry after-schoolers.

GAMES

Time to run off extra energy that has built up during the day, and have fun with new friends. Our counselors will lead the children in a variety of outdoor games as weather allows, and indoor games when it rains.

ENRICHMENT

Special guests will introduce the children to a wide variety of activities, skills, and crafts: cooking, pottery, yoga, music, art projects, science experiments, pet care, woodworking, soap carving, to name just some.

PICK UP

Pick up is in Turner Hall at 5:30.
