By Rob Bell

New York Times bestselling author Rob Bell, whom the *The New Yorker* describes as “one of the most influential Christian leaders in the country,” does for the concept of God what he did for heaven and hell in his book *Love Wins*: He shows how traditional ideas have grown stale and dysfunctional and how to return vitality and vibrancy to lives of faith today. Pastor Rob Bell explains why both culture and the church resist talking about God, and shows how we can reconnect with the God who is pulling us forward into a better future. Bell uses his characteristic evocative storytelling to challenge everything you think you know about God. *What We Talk About When We Talk About God* tackles the misconceptions about God and reveals how God is with us, for us, ahead of us, and how understanding this could change the entire course of our lives.

This book is available on Kindle and we will have paper copies.
